50X1 Comment. The plant which is the subject of this report is presumably identical with that listed in the Brno district telephone book 1951-1952 as the Postorna Plant of the Chemical Works (Lucebni zavody) Prerov, National Enterprise, in Postorna near Breclav. The Olomouc district telephone book 1951-1952 lists the Chemical Works (Lucebni zavody), National Enterprise, at Dluhonska 1236, Prerov, which appears to be the Prerov plant mentioned in paragraph 9 of the report.
